Foundations // Framing Questions

We move in the direction of our conversations

How do we reduce the rate of ...

What if our town was the best place on the planet to be a child?

Framing Question

Imagine that University of Florida is the national model for workplace diversity and inclusion.

What would it look like?

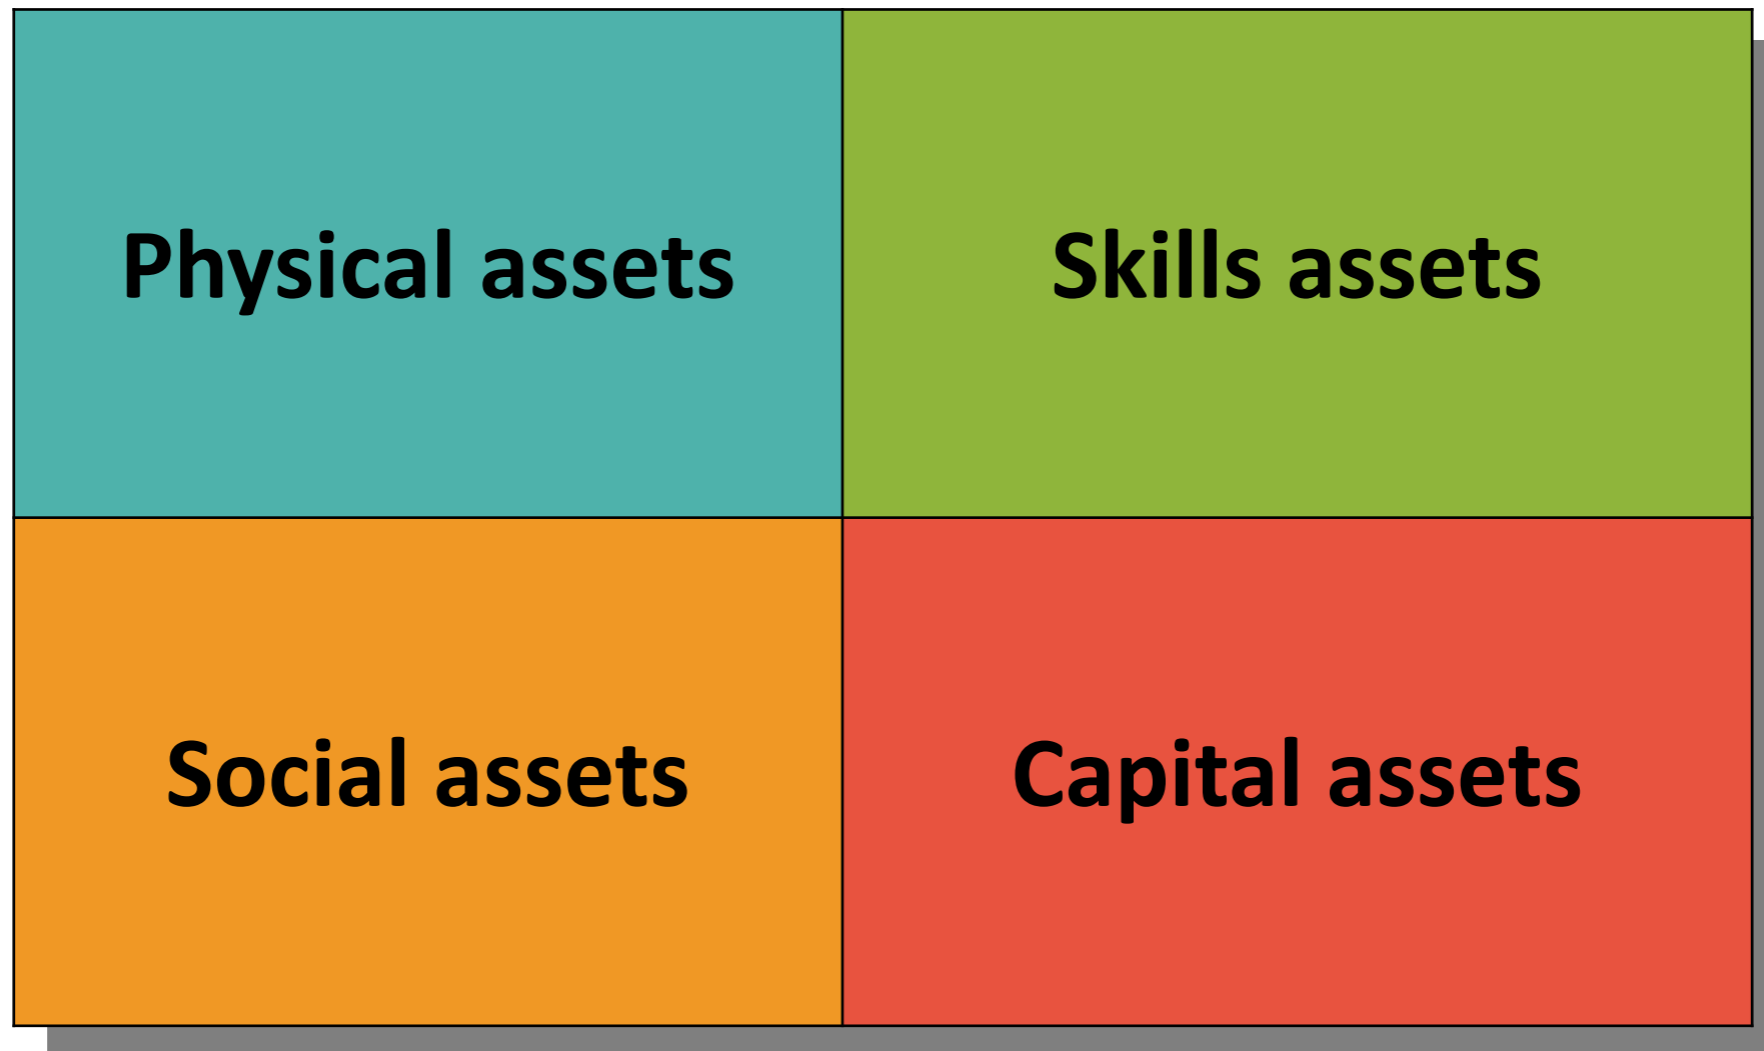

We will be breaking out in small groups.

..but wait, I have a few guidelines

Strategic Dialogue// Two Questions

Strategic Dialogue // Mapping Assets

Group Assets

Spend 2-3 minutes listing your assets

Identify a timekeeper and reporter

When everyone is done writing, the timekeeper will call in for the first person on her/his screen to share **one** asset at a time. Then, for the second person, etc.

Do as many rounds as necessary.

What COULD we do?

Assets

List your assets that you are willing to share as part of this effort (e.g., physical assets, skills and knowledge assets, social/network assets, capital assets). What organizations do you belong to? What knowledge, skills and abilities do you have?

Is this asset available? How is this asset actionable? If someone contacted you a month from now, would you still be willing to share?

Next step

What should we do?

- Record your brainstorming on the Action Pack

Recap and Final Step (for today)

What is your Big Easy?

Strategic Doing // Finding “Big Easy”

Strategic Doing // Finding “Big Easy”

What Is Your Big Easy?

- Nominate a record keeper to record scores.
- Do not rank projects. Rate each one independently. You can rate all or none "5", "4", "3", "2", or "1".
- Everyone should type your score in the chat and hit submit at once.
- For differences in scores, discuss what makes a potential project a "5" or a "1".
- You can change your mind and change your vote after the discussion.

Framing Question
