VIEWING THE SQL ENTERPRISE ANALYTICS GENERATES BEHIND THE SCENES

The following instructions will walk you through the process of capturing generated SQL for your report.

NAVIGATION

Login into myUFL and navigate to:

Nav Bar > Main Menu > Enterprise Analytics > Access Enterprise Analytics

1. To open a report, click on the My Content folder or the Team Content folder.
   • The My Content folder is used for your personal reports.
   • The Team Content folder is used for reports shared by you and other members of your team.

2. Next to the report you would like to edit, click the More icon.
3. Click Edit report.

4. Click the Queries icon.
5. Click on the **Query** you would like to edit.

6. Click on the **three dots** to open the generated SQL in a pop-up tab.
7. Click OK.

8. The SQL displays.
