The **Instructor Standard** role should be provisioned to those myTraining users who teach instructor-led classes and who must also manage their class rosters. This guide will describe the following **Instructor Standard** features and tasks in myTraining:

A. [Access the Instructor Schedule](#)
B. [Send an Email to Registered Users](#)

**Part A: Access the Instructor Schedule**

Instructors can view current or upcoming activities and training requests from the **Instructor Schedule** page.

1. To view your schedule, navigate to **Self > Learning > Instructor Schedule**.

2. Select one of the following options from the **View** dropdown list:
   - **Current activities** show the activities you are scheduled to teach within a 5-day timeframe.
   - **Pending requests** lists the activities you have been requested to teach, which are still pending approval.
   - **Calendar** displays your upcoming schedule in an interactive calendar view.
   - **Upcoming activities** shows your future schedule.

**NOTE:** Contact the Training and Organizational Department for roster details on **previous activities** at training@ufl.edu.
Part B: Send an Email to Registered Users

1. To view roster information for a learning activity, click the View Activity Roster icon.

2. Select the checkbox next to each person you would like to send a message to and click Send Email.

3. An Outlook Email popup window will open with the email addresses of the Users selected listed in the Untitled Email “To:” field. Enter a Subject and your message text and click Send.
