

Using the Agreement Intake Form in myUF Market

Use this guide for the Agreement Intake Form in myUF Market instead of emailing a contract or agreement to UF Procurement. This myUF Market form will route your agreement to procurement agents for their review and signature. Track the agreement and communicate with the agent via comments on the requisition. This form is only meant to be used when there is a no cost agreement, loan equipment, an event that will be paid on a PCard or an agreement on behalf of an organization, such as 4-H, where UF is the signatory. This form/requisition **does not** create a purchase order, does not require financial approval and **does not** encumber any funds. The department financial approver will get an email notifying him/her of the agreement being submitted for Procurement review. Please use a regular requisition when the event is immediate, funds need to be encumbered, and one of the above conditions does not apply.

Use the guide, "[Completing a Requisition in myUF Market](#)" for additional help in entering ChartFields, Ship To, and Bill To, which are all required fields in a requisition. Once the cart/requisition has been submitted, the system will email the Financial Approver to notify them; then it will route to UF Procurement Agents for review. You may communicate with the agent reviewing the agreement via the Comment tab in the requisition, which will send an email to the agent. When the requisition is assigned or submitted, please make note of the requisition number to locate it later.

Routing

This will not route to the Financial Approver; however, the Financial Approver will be **notified via email** that an Agreement Intake Form has been submitted. **This will not create a purchase order.** The requisition will only route to UF Procurement Agents, who will work with the vendor and the requestor to execute the agreement.

To track it, enter the requisition number in the **top right-hand search field** at the top. You may also click on the **Shop icon** on the left-hand menu > **My Carts and Orders > View My Orders (Last 90 Days)**.

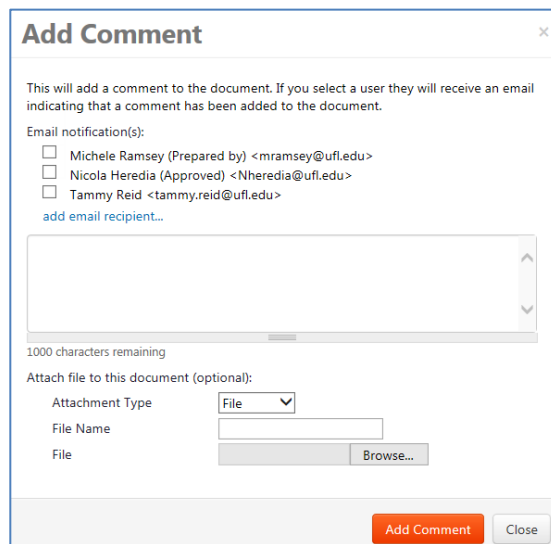

The Supplier is UF Procurement, and it will show the Requisition (Cart) Name with the name of the vendor on the form.
