

NON-DEGREE APPLICATION INSTRUCTIONS

To begin, navigate to the Visiting Students webpage: <https://registrar.ufl.edu/registration/visiting-students/>.

1. Select the **Student Application Category** that applies.

The screenshot shows the UF Registrar website. The navigation menu on the left includes: Audit a Course, Drop/Add, Employee Education, Full-Time Enrollment Requirements, How to Register, Transfer Credits, Visiting Students, and Waitlist. The 'Registration' menu item is highlighted. The main content area is titled 'Visiting Students' and contains the following text:

Visiting students, sometimes referred to as transient students and/or non-degree students, are those who are currently enrolled as degree-seeking students at another institution but who wish to take courses for a term at UF to transfer back to their home institution.

Visiting students may include students attending [State University System \(SUS\)](#), [Florida College System \(FCS\)](#) institutions, private Florida institution, out-of-state institution, students registering for [UF's College of Liberal Arts and Sciences' Shared Language Program](#), individuals registering for special programs sponsored by UF, or individuals wishing to expand their academic background through graded or [audited](#) coursework, or teacher certification through the UF College of Education.

All visiting students to UF are considered non-degree seeking at the University of Florida and register on a space-available basis, which is **fall (100% online sections only)**, **spring (100% online sections only)**, summer terms A, B and C (online or on campus sections).

2. Review all the information and relevant reminders on the **Applying Via Non-Degree** page. Once reviewed, click the Non-Degree Application button to proceed.

After Applying

Regularly monitor your [Application Status Page](#) and email inbox, junk mail, and spam folders for any status updates or requests for additional documentation. Emails from UF will come from an @ufl.edu address.

If not already assigned from a previous application, an eight-digit UFID will be generated and can be viewed on the application status page.

The application will be forwarded electronically to the UF college requested in the application. Colleges make the final decision and may require additional information. Once a decision is made, a status update will be posted on the application status page.

If approved, the status update will provide registration directions and information on creating a GatorLink account. Before registration, a student must clear all holds, which include submission of immunization records to the UF Student Health Care Center, emergency contact information and accepting the terms of registration on ONE.UF. International students will be prompted to furnish proof of health insurance. Registration start times will be visible in [ONE.UF](#) after all holds have been cleared.

Pay course fees online at ONE.UF by 3:30 p.m. on the fee payment deadline unless directed otherwise by the program coordinator.

Submission of an updated Residency Declaration must occur prior to the beginning of the term for which residency is sought. I do not have to complete any further portion of this form except for the signing below.
