1. Department offering the class
2. Department of the student’s major (for Agriculture, Engineering, and grad students, if different from #1)
3. College Coordinator of the student’s college (for undergraduate students only)

Requests to **drop** a class are routed in this order:

1. Hawkins coordinator (if student is an athlete)
2. International Students coordinator (if student is an international student)
3. Department of the student’s major (for graduate students only)
