

CHAIR/DIRECTOR (OR DESIGNEE) UPLOAD OF EVALUATIVE LETTER AND PACKET ENDORSEMENT

After reviewing the assessment results of the Department OPT Faculty Review Committee, you will then write your evaluative letter to include in the Candidate's Packet.

Although the Chair/Director must officially "write" the letter, a Designee may be assigned with the task of uploading it.

The Candidate will have a period of time to respond to your evaluative letter, which may prompt you to submit an updated copy of the letter. After Candidate response (or after 10 days have passed), you can then make your endorsement of the Candidate.

After endorsement, the Packet will move to the College Admin Review level.

Note: To avoid any issues with pop-ups, please turn off the Pop-Up Blocker on the machine you are using. If you need assistance with this, please contact the UF Help Desk on 352-392-4357.
