

Adding an ORCID to a Directory Profile in myUFL

Overview

MyUFL now supports entering unique identifiers like ORCID to solve disambiguation issues and support the promotion of research activities, publication, and work. After registering for an Open Researcher and Contributor ID on the [ORCID website](#), you can add your ORCID to your Directory Profile in myUFL.

Navigation

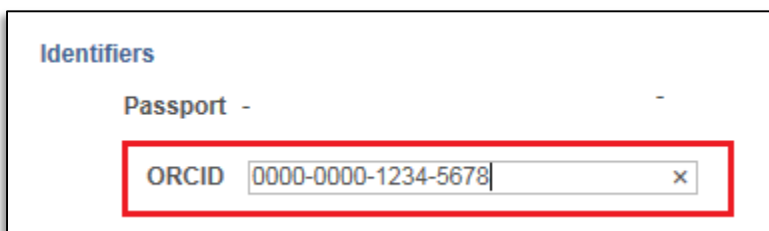

Perform these steps to add an ORCID to your Directory Profile in myUFL:

1. Login to my.ufl.edu using your GatorLink ID and password.
2. Navigate through [Main Menu](#) > [My Account](#) > [Update My Directory Profile](#).
3. Scroll down to the Identifiers section of the page.
4. Click in the **ORCID** field.

The screenshot shows the 'Identifiers' section of a user profile. It contains several input fields: 'Passport -', 'ORCID' (highlighted with a red box), 'eRA Commons', 'National Science Foundation', 'Virtual International Authority File #', 'Shands Badge #', and 'Library ID 19052016198608'.

5. Enter your 16-digit ORCID into the **ORCID** field.

The screenshot shows the 'Identifiers' section with the 'ORCID' field highlighted by a red box. The field now contains the text '0000-0000-1234-5678' and a small 'x' icon to clear the field.

6. Scroll down to the bottom of the page and then click the **Submit** button.

Information about ORCID can be found on the [UF Digital Collections: ORCID website](#).
