CONFIRMING DISBURSEMENT STATUS

After an award has been added and processed, you may need to determine if the award has been disbursed. Knowing the disbursement status becomes very important if you are considering changing an award already entered. You should always notify the student if anything changes with his/her award, but especially if you are reducing or canceling an already disbursed award.

1. Click on the **View Award Summary** tab.
2. Click on the **Disbursement** link of the relevant award.
