PERFORMANCE NOTES FOR LEADERS

The following instructions will walk you through how to use the Performance Notes tool as a UF leader. Entering Performance Notes is a way to track your employees’ progress throughout the year between Quarterly Check-ins. These notes are for your reference and can only be accessed by you.

NAVIGATION

Login into myUFL and navigate to:

Nav Bar > Main Menu > Human Resources > Manager Self Service > UF Engaged > Maintain Performance Notes

   It is recommended that in the **Note Text** section you include any and all relevant information about the **Subject**. You can enter as much or as little as you would like. This will be a reference tool for when you are creating your employee’s Quarterly Check-in. Some examples of interactions that might be recorded include:

   - Large projects that your employee has completed
   - Descriptions of team projects that your employee has participated on
   - Key conversations held between you and your employee
   - Awards they have received
   - Accolades or employment actions given to the employee

4. Click the **Save** button.
