Completing a KK Budget Overview

The myUFL Commitment Control (KK) Ledger is a tool utilized by the University to ensure that commitment and expenditure of University resources are made within established budgets and available cash. The KK Ledger is comprised of the following ledger groups that are applicable to University operating funds: (1) Appropriations Ledger Group; (2) Cash-Based Ledger Group; (3) Grants Ledger Group; (4) Student Government Ledger Group; and (5) Construction Ledger Group.

Commitment Control identifies and reserves (or “commits”) funds for future payment obligations. It answers the question "What is my available spending authority?"

This instruction guide provides step-by-step instructions for completing a KK Budgets Overview. This is an example of how a user might complete this procedure. Note: Figures in this instruction guide reflect a Budgets Overview for the Grants Ledger Group.
