4. Click on the Options Tab and select **Send the report by email**. Set email options by clicking **Edit Details**.

5. **A best practice is to send the report as a link** rather than as an attachment to ensure that the recipient has permissions to view the data. This will also ensure that large files are not prevented from being sent through email. The recipient will have to log into Enterprise Analytics. Gatorlink will authenticate their permissions.
6. Click **Save**

7. The schedule confirmation message displays. Make sure that **Schedule** is set to enable
