THE COMPREHENSIVE TRANSACTION DETAIL REPORT

Report provides transaction detail across all funds and accounts for a variety of periods. Includes direct links to source documentation.

NAVIGATION

1. Login into myUFL and navigate to: Nav Bar > Main Menu > Enterprise Analytics > Access Enterprise Analytics
2. To open the report, click on the Team Content folder.
   - The Team Content folder is used for reports shared by you and other members of your team. The My Content folder is used for your personal reports.

CREATING REPORTING VIEW AND SETTING PROMPTS

1. Click the **more** options (ellipses).

2. Select **Create report view**.
3. Name the report as desired and save to your My Content folder:

4. Navigate to the saved report view and click the more icon.

2. Click the **Create Schedule** button.

![Image of the myUFL Enterprise Reporting interface with the Schedule tab selected and a message saying "No schedules created. Start by creating a schedule for your report." with a "Create schedule" button highlighted.](image)
3. Select when and how frequently you would like to receive the report.
4. Click on the Options Tab and select **Send the report by email**. Set email options by clicking Edit Details.

5. **A best practice is to send the report as a link** rather than as an attachment to ensure that the recipient has permissions to view the data. This will also ensure that large files are not prevented from being sent through email. The recipient will have to log into Enterprise Analytics. Gatorlink will authenticate their permissions.
6. Click **Save**

7. The schedule confirmation message displays. Make sure that **Schedule** is set to enable
