ENTER GRADES DIRECTLY (MANUALLY)

Graders are assigned each semester by their Department Coordinator.

Once established and approved for the semester, and once the grading window opens for the class, Graders are able to submit grades for their classes.

Note: Direct Entry is recommended (but not required) for instructors with 30 or fewer students.

**IMPORTANT!**

- For up-to-date information, click **Resource Information** for other documentation.
- E and U grades require answers to additional questions. Click the **E/U Questions Needed** button to review and provide answers.
- If the class satisfies a writing requirement, the **Writing Requirement (S/N)** column will appear and a grade of **S** (Satisfied) or **N** (Not Satisfied) must be entered.
- If a grade is left blank, the system will automatically populate the **N** grade.
- If a student has dropped the class or withdrawn from the university, the grade of **W** will pre-populate.
