

ENTER GRADES IF YOU DO NOT USE CANVAS

Graders are assigned each semester by their Department Coordinator.

Once established and approved for the semester, and once the grading window opens for the class, Graders are able to submit grades for their classes.

Note: **Direct Entry** is still available and **recommended** (but not required) for instructors with 30 or fewer students. Please see the **Direct Entry** guide for steps.

NAVIGATION

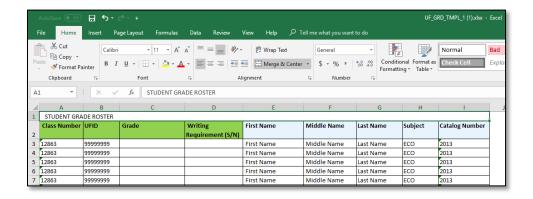

Use the following navigation to navigate to ONE.UF in order to download the roster:

- 1. Navigate to ONE.UF.EDU in your web browser
- 2. Click LOG IN
- 3. Click Log in with Gatorlink
- 4. Enter your Gatorlink Username and Password
- 5. Locate the Grades card and click the VIEW/ENTER GRADES link

DOWNLOAD THE GRADE ROSTER

The grade roster may be downloaded as an Excel file for faculty who wish to maintain a separate grade roster. Later, the same roster may be uploaded again with the final grades. *Note:* The roster will be downloaded as an Excel (.xlsx) file and will need to be saved as a CSV (.csv) file.

- 1. On the new page that opens, click the My Classes link on the left.
- 2. Search by:
 - o Enter Term and Class Nbr -OR-
 - Enter Term, College, and Department -OR-
 - o Enter Term, Subject, and Catalog Nbr
- 3. Downloading a roster:
 - o To download the roster for a single class section, click the **Download** ##### button for the desired class.
 - To download rosters for multiple class sections in a single file, click the Download Multiple Rosters box next to each desired section, then click the Produce Multiple Rosters button.
- 4. The roster will be downloaded as an Excel (.xlsx) file and will need to be saved as a CSV (.csv) file.

- 5. Enter your grades in Column C.
 - Note: The Writing Requirement (S/N) column appears by default, but is used only for classes that have a
 writing requirement.
- 6. Click File and use Save As... to save your file as a CSV.
 - Note: It is recommended that you rename the file using the Class Nbr and that you save it on the Desktop so that it is easy to find in the next section.

ENTER GRADES

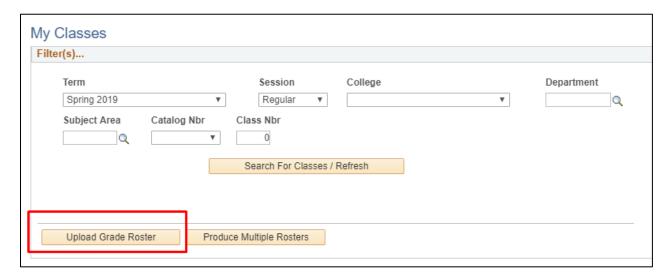

Once you have downloaded the Excel file roster from myUFL, enter your grades into the spreadsheet. Once you are ready to save your file, you <u>must save it as a .csv file</u>.

IMPORTANT!

- For up-to-date information, click **Resource Information** for other documentation
- E and U grades require answers to additional questions. Click the **E/U Questions Needed** button to review and provide answers.
- If the class satisfies a writing requirement, the Writing Requirement (S/N) column will appear and a grade of S (Satisfied) or N (Not Satisfied) must be entered.
- If a grade is left blank, the system will automatically populate the N* grade.
- If a student has dropped the class or withdrawn from the university, the grade of W will pre-populate.
- When the grading period ends, OUR will run a process to post the grades to the individual student records, at which time they will be visible to students. Any changes after the grading period ends must be made via the grade change process.
