How to Change Your Default Browser

The myTraining system is compatible with the following web browsers:

- Chrome or FireFox (Windows)
- Safari or Chrome (Mac)

Follow the steps below to adjust your computer’s default browser.

**To Adjust Your Default Browser to Chrome (Windows)**

1. Open Chrome.
2. Click the three-dot icon in the upper right.
3. Navigate to **Settings > Default browser > Make default.**
4. Scroll down to **Web browser.** Click on the browser icon that appears. In this example, Firefox is the default browser.
5. Select **Google Chrome** from the menu.

**To Adjust Your Default Browser to FireFox (Windows)**

1. Open Firefox.
2. Click on the three horizontal lines icon in the upper right.
3. Navigate to **Settings > General > Startup > Make default.**
