Overview
Use this instruction guide to learn how to save items in **My Favorites** in myUF Market for re-use on a regular basis. My Favorites works while adding item to the shopping cart from an enabled vendor **Product Search**. You may select at that time to also add items to My Favorites. Use this guide to also retrieve items from My Favorites to place an order. The price will be automatically updated upon retrieval for items saved from using the Product Search (hosted catalogs) only. Take advantage of this feature to make purchasing more efficient!

Access myUF Market by navigating to [http://my.ufl.edu](http://my.ufl.edu) and logging in with your Gatorlink username and password, and navigate by:

a. Clicking **Nav bar > Main Menu > My Self Service > myUF Market** for UF_N_MKT_Shopper role.

b. Clicking **Nav bar > Main Menu > Financials > eProcurement > myUF Market** for UF_N_MKT_Shopper_Req role (to shop only) UF_N_MKT_Requestor and UF_N_MKT_Financial_Approver

[Note]: My Favorites only works when on the **Home/Shop** page to search the eCatalogs. Refer to the instruction guide, “Shopping Using the Product Search” if you need assistance searching the eCatalogs.

Adding Items to My Favorites from Within a Search Result Set

1. In order to find items to add to the Favorites page, we will utilize the product search tool.

2. Click the **add favorite** link on the row of the item you would like to add in the results list.

3. Edit the Item Details--add or edit the Item Nickname for later reference.

4. Select Destination Folder--click the **Add New** dropdown to create a “Destination Folder” if you do not already have one under Personal or if you would like to organize your favorites. Give the folder a meaningful name for ease of retrieval.

5. Click the **Save Changes** button > click **Close**.
