

PowerPlay Web Explorer

The screenshot shows the IBM Cognos PowerPlay Web Explorer interface. On the left is the Dimension Viewer, which is a tree view of dimensions. The main area displays a table of financial data for 'General Ledger Actuals as values' for the year 2011, broken down by quarter. The bottom of the interface features a toolbar with various icons for navigation and actions.

Dimension Viewer: A tree view on the left side of the interface listing various dimensions such as 'All Accounts', 'All Dates', 'Accounting Period Type', 'Budget Period', 'All Departments', 'All Budget References', 'All Employees (UFID/Name)', 'All Flexfields (College/Dept/Flex)', 'All Funds (by Ledger Group)', 'All Sources of Funds', 'All Programs', 'All CRIS (IFAS Only)', 'Oper / NonOper Funds', and 'MEASURES'.

Show/Hide button: A button located in the top right corner of the main data area, used to toggle the visibility of the toolbar.

Dimension Line: A horizontal line separating the dimension selection area from the main data table.

Level Sector: A dropdown menu in the top right corner of the main data area, currently set to '62XXXXXX HUMAN RESOURCES'.

Level Sector Selector Toolbar: A set of buttons located below the Level Sector dropdown, used for navigating between different levels of the dimension hierarchy.

Wrapping On/Off: A button located in the top right corner of the main data area, used to toggle the wrapping of text in the table.
