NOTE: You may see Messages or Errors rather than Success.

- If it changes to Success, the student has been successfully registered
- If it changes to Errors, the enrollment action was not posted and additional information regarding the error is displayed
- If the status has changed to Messages, the enrollment action was posted successfully but there is additional information regarding the enrollment
  - The most common message you will see is the enrollment requirement was set to Yes. This indicates the student was enrolled in the course successfully.
