

## Preparing for 2022 Fiscal Year End Leave Processes

This guide describes the year-end process for several leave-related issues during the fiscal year. The instructions describe the timeline and cashout process for accrued special and overtime compensatory leave. This guide also provides information about the expiration of unused personal holidays (USPS) and personal leave days (TEAMS, eligible Faculty). The UF fiscal year ends June 30.

### Personal Holidays (USPS)

USPS employees must use their personal holidays—in full-day increments—on or before the end of the fiscal year. Unused personal holidays awarded within the fiscal year will expire on June 30. The new fiscal year personal holidays for USPS employees will be awarded July 1 and available for use after July 15, 2022.

### December Personal Leave Days (TEAMS and Eligible Faculty)

TEAMS employees and eligible faculty must use their December Personal Leave Days on or before the end of the fiscal year. Unused 2020 personal leave days expire on June 30, 2022. Personal leave days may be used in less than full-day increments.

### Special and Overtime Compensatory Leave Cash-Out

All special and overtime compensatory leave balances as of May 27, 2022, will be cashed out on the June 17, 2022, paycheck due to the end of the fiscal year. To prevent negative balance payroll collections, TRCs pertaining to comp leave will be unavailable during Pay Period May 27, 2022 – June 23, 2022. Any approved use of comp time for May 27, 2022 – June 30, 2022, must be submitted to Central Leave and entered directly by Payroll.

A report is available that indicates which employees have accrued compensatory leave. To access this report, you must have the security role of UF\_TL\_DEPT\_PROCESSOR.

- ▶ Log into the system via the myUFL portal, using your GatorLink user ID and password (<http://my.ufl.edu>) ▶ Navigate to Enterprise Reporting > Access Reporting > Human Resources Information > Benefit Information > Leave > Leave Accruals, Usage, and Balances by Pay Period, Department – COMP ONLY
