The University of Florida

Located in Gainesville since 1906, UF has 16 colleges, a major academic health center, a championship winning athletic program, a top-ranked undergraduate online program and, in keeping with its land-grant mission, one of the nation's most comprehensive agriculture and natural resources programs. All are based at the University's 2,000-acre campus, joining its historic red-brick core with advanced facilities and preserved natural areas and connecting to adjacent innovation, commercial, and residential districts.

UF has 55,000 students; 30,000 employees, including 5,500 faculty members; a \$5 billion annual budget; and more than 140 mission-focused units across the state of Florida. It is the Sunshine State's only member of the Association of American Universities comprising the nation's 60 leading public and private research universities. More than 51,000 students have applied as freshmen for the 2021-22 academic year — a new record.
